

System Engineer - Automation

StratusLIVE is a leading provider of cloud-based software for the medium and enterprise class, nonprofit market. We offer a broad suite of solutions for fundraising-based nonprofits encompassing CRM, engagement, donor management, digital marketing, online fundraising, and business intelligence. Our suite is built primarily on the Microsoft Dynamics 365 commercial CRM platform and leverages the ubiquitous Microsoft business productivity tools (Teams, Office, Outlook, Mobile), Business Application Platform (D365), Power Platform and developer tools.

We are seeking a highly motivated individual to build and maintain automation processes in support of our software deployment process and day to day operations. The candidate must have a demonstrable history of scripting tasks via PowerShell. Our environment is primarily Microsoft based (Windows Server, IIS, and SQL) along with containerized applications (Docker / Kubernetes). Systems are distributed between Colo facilities and Azure cloud. You should be self-motivated, goal orientated, and capable of working both independently and in a team with little supervision.

Responsibilities:

- Automate tasks to empower other teams.
- Support and maintain internal and hosting environments.
- Work closely with software developers to support software deployments.
- Work closely with support team to troubleshoot escalated issues.

Education/Training:

- Bachelor's degree in Business, Information Technology, Computer Science, or Software Engineering preferred

Required

- 2+ years of experience in PowerShell script creation
- Windows Server 2016 and later installation and support
- Virtualization and Container creation and support
- Active Directory administration
- Core understanding of DNS and networking

Preferred

- System Center / Hyper-V management
- IIS site and certificate management
- SQL Server and SSRS
- Dynamics CRM
- ADFS
- Patch Management
- Azure management
- Source control (Git) and continuous integration

Benefits offered to StratusLIVE employees:

- Casual Dress
- Free snacks
- Flexible Scheduling
- Company Paid Health and Dental Coverage (Employee Only)
- Vision Coverage, Health Savings Account, Flexible Spending Account
- 401(k)

Location:

Virginia Beach office
